Dear Friends,

We want to take a moment to tell you about the good things going on at Covenant this year. Jesus tells us to *Let your light shine before people, so they can see the good things you do and praise your Father who is in heaven. (Matthew 5:17)* Our light is shining brightly as we share Christ's good news with our neighbors. Please join us in making your 2023 pledge to **Let the Light Shine** through Covenant. You can pledge online at [wdmcovenant.org/2023-pledge-invitation](http://wdmcovenant.org/2023-pledge-invitation) or by returning the attached form.

Your gifts through Covenant have **Let the Light Shine** this year. We're back to doing the things we love to do in person: singing, potlucks, Vacation Bible School, and welcoming new members. We're responding to immediate needs, including making the church building more accessible, supporting our neighbors in San Isidro following natural disasters, and replacing the church roof after the August hail storm. And we're enjoying new activities, including wine and beverage gatherings and our newest mission partnership with Wildwood Hills Ranch.

We're planning to **Let the Light Shine** for our neighbors in 2023. We prioritize nurturing connections within the congregation, focusing on what is most important, and becoming always more open in our invitations and service. These priorities will help us move confidently into the future as Christ's light shines through us.

We know costs are going up. If you can raise your pledge by 10%, you'll help our church continue what we're doing and more. Thank you for all your gifts through Covenant and your pledge for 2023. Make your pledge today at [wdmcovenant.org/2023-pledge-invitation](http://wdmcovenant.org/2023-pledge-invitation) or using the attached form. We will dedicate all our pledges on November 27. **Let the Light Shine!**

In Christ's service,
