Dear Covenant Family:

It's time to make our annual financial pledges to keep Covenant running. We can do this using the attached form or by scanning this QR code.

We can dedicate pledges to the Operating Budget used for mission work, education, staff salaries and supplies. Activities like the Tabletop Luncheon and the Faith and Grace Garden reach out to nonmembers too. The Covenant tradition of a great children's program continues and serves close to 50 kids.

We can also make pledges for the Capital Fund. This fund pays for building maintenance and property improvements. This year we're asking for special consideration of Covenant's capital needs. We've seen the work done recently to update the landscaping, repair sidewalks and paint the soffits on the old sanctuary. Additional work is needed to fix narthex flooring and to replace the final section of the 30-year-old roof. The cost of the remaining roof section is estimated at \$40,000.

Covenant makes contributions not just to our lives, but also to others in our community, nation and world.

You continue to amaze us with your support and generosity! Thank you in advance for your pledge.

Your session members,  
Carol Brase, Dick Christensen, Nonya Cochrane, Latsamy Hilliard, Teri Springer,  
Margaret Thomson, and Rev. Nathan Williams
